Availability Areas

This service is available in the metropolitan area of Perth, Western Australia.

Plan Changes

We may make changes to the prices and features of your plan once your initial contract term has expired, but we will notify you at least 30 days before the changes take effect, giving you the opportunity to cancel your service or change to a different plan.

Personal Account Manager

You will have access to your own personal account manager during normal business hours (between 8:00am and 5:00pm, Monday to Friday, excluding public holidays) for any billing or service enquiries and assistance.

Professional Installation

This plan includes professional installation. A technician will visit your premises and install and test your hardware as required.

Service Assurance

This plan includes enhanced support for serviceability issues. A technician will visit your premises if required during normal business hours (between 8:00am and 5:00pm, Monday to Sunday).

Service Level Agreement

A standard service level agreement applies for this plan. If a fault develops within our network, we will aim to rectify it by 5:00pm the next business day after lodged.

Equipment Required

You must purchase the Wireless Gateway from us. The dual sim, 3-4 line kit is \$1,999, including installation.

We will need to install the gateway in your building at a location that has proximity to the buildings copper telephone cabling, adequate mobile signal strength on the Telstra network and a general-purpose power outlet. We will provide assistance on locating a suitable location within your building.

Early Termination Charge

If you cancel your service prior to the end of your contract term you will incur an early termination charge of \$150.

Billing

On the same day each month, you will be billed in advance for the next calendar month plan access fee, and any usage outside your included package incurred during the previous calendar month. Bills will be sent via email. We do not issue paper bills.
